Excellent & Highly Accurate

The services provided by Rameshwar and Ganesh under Positional Vriddhi have been excellent and highly accurate since I began utilizing them through Research Mart. They are diligent, attentive, and proactive, often reaching out to ensure I enter or exit a particular stock even when I miss his messages. Their dedication makes them a valuable asset to your organization. Keep up the great work, Rameshwar and Ganesh.

Regards -Amaresh

Good & Informative Approach for Research Analysis

To research mart Mumbai I want to say that Mr Rameshwar my stock analyst Provide a good stock research and trade which is named as positional vriddhi are very beneficial to me from that I got a quite good profit from that they used to give perfect time call of buying and selling in trade if I want to rate them I will give them 5 out of 5 stars and I want to say one more thing apart from that they also educate about the information about the stock market they are humble person in my perspective Thank u.
